

**Maria Vittoria Spissu**

*Italy*

*Alma Mater Studiorum –  
University of Bologna*

## My Research Interests

- Representation of the otherness in the Franco-Flemish miniature and in the Flemish-Iberian retables: knightly ideals, crusades, overseas journeys, religious controversies
- Representation of the enemy in Catholic Europe and the Iberian Americas: connections between conversion, missions, and propaganda
- Construction of an "authoritarian emotional regime" through the representation of the converted: application of the study of the history of emotions to the analysis of otherness in context
